

LITTER GETTER Bag Dispenser

DIY INSTRUCTIONS

NOTE: This project requires adult supervision

It's great to recycle and reuse materials. Here's how to turn a plastic bottle into a clean-up tool.

HERE'S WHAT YOU WILL NEED:

- Wide-mouth plastic bottle
- Utility knife
- Sandpaper
- Hole puncher
- 15 inches of string/twine
- Tape
- Scissors
- Paper label (on this sheet)
- Grocery bags (approximately 10)

HERE'S WHAT YOU DO:

1. Remove label and cap from bottle
2. Wash bottle, let dry
3. Using utility knife, cut a hole (approximately two inches in diameter) in bottom of bottle
4. Using sandpaper, smooth out any rough edges
5. Punch two holes on opposite sides of bottle near the bottom
6. Feed the string through both punched holes, tie knot to create loop
7. Cut out the label on this flyer
8. Wrap label around bottle, secure with tape
9. Stuff the bottle with grocery bags
10. That's it! Now you can use this bag dispenser to help keep your city clean!
